Forward Looking Statements

The information included in this document contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on management's current expectations and involve certain risks and uncertainties that may cause actual results to differ materially from those expressed in the forward-looking statements.

Factors that might cause such a difference include, but are not limited to (i) the rate of growth in the economy and employment levels, as well as general business and economic conditions; (ii) changes in interest rates, as well as the magnitude of such changes; (iii) the credit default by the government of Puerto Rico; (iv) amendments to the fiscal plan approved by the Financial Oversight and Management Board of Puerto Rico; (v) determinations in the court-supervised debt-restructuring process under Title III of PROMESA for the Puerto Rico government and all of its agencies, including some of its public corporations; (vi) the impact of property, credit and other losses in Puerto Rico as a result of hurricanes Irma and Maria; (vii) the amount of government, private and philanthropic financial assistance for the reconstruction of Puerto Rico's critical infrastructure, which suffered catastrophic damages caused by hurricane Maria; (viii) the pace and magnitude of Puerto Rico's economic recovery; (ix) the potential impact of damages from future hurricanes and natural disasters in Puerto Rico; (x) the fiscal and monetary policies of the federal government and its agencies; (xi) changes in federal bank regulatory and supervisory policies, including required levels of capital; (xii) the relative strength or weakness of the commercial and consumer credit sectors and the real estate market in Puerto Rico; (xiii) the performance of the stock and bond markets; (xiv) competition in the financial services industry; and (xv) possible legislative, tax or regulatory changes.

For a discussion of such factors and certain risks and uncertainties to which OFG is subject, see OFG's annual report on Form 10-K for the year ended December 31, 2017, as well as its other filings with the U.S. Securities and Exchange Commission. Other than to the extent required by applicable law, including the requirements of applicable securities laws, OFG assumes no obligation to update any forward-looking statements to reflect occurrences or unanticipated events or circumstances after the date of such statements.

Non-GAAP Financial Measures

In addition to our financial information presented in accordance with GAAP, management uses certain "non-GAAP financial measures" within the meaning of the SEC Regulation G, to clarify and enhance understanding of past performance and prospects for the future. See Tables 9-1 and 9-2 in OFG's Financial Supplements for reconciliation of GAAP to non-GAAP Measures and Calculations at www.ofgbancorp.com.

The Challenge Ahead

Seven Months Post-Maria

Recovery Continues

- Day-to-day life stabilizing for business and consumers
- Starting to notice benefits of insurance money and federal spending
- Emerging sense of revitalization among business leaders and entrepreneurs

But Still Waiting for...

- Insurance and federal money to really start flowing
- Permanent solution resolving the PREPA operational disaster
- Political will to execute PROMESA Board approved fiscal plans without delay
- Plan for Economic Growth

OFG Leading the Way

- Developing new commercial relationships in PR and US
- Looking at additional ways to optimize internal processes
- Implementing more technology to service customers faster
- Proud to be front and center of rebuilding efforts – as we have in the past
